MEMORANDUM FOR: Deputy Director for Support

SUBJECT

: Executive Dining Room Proposed Increase in Meal Prices

REFERENCE

: Memo dtd 10 Aug 71 to DD/S fm D/L, same subject

1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 5.

- 2. In the referent memorandum (attached), we informed you of the financial status of the Executive Dining Room, the higher operating cost trends, the diminishing profits, and requested your approval to increase prices. Such approval was granted on 11 August 1971, but the increases were not put into effect due to the President's "Wage and Price Freeze" announcement of 15 August 1971.
- 3. Unfortunately, the financial outlook for the Executive Dining Room remains poor. The wholesale prices on meats have continued to increase. Attachment 1 presents a comparison of such prices for February 1971 versus November 1971. Our price increase request in the referent memorandum was based on the February 1971 Index and assumed that, if costs remained stable, we could anticipate an increase in revenue of approximately \$2,500 for the remaining 10 months of the fiscal year. However, due to the continued increase in wholesale prices and in order to effect the original rate of revenue increase, we are proposing a revised list of prices for meals from that proposed in the referent memorandum. The revised prices are set forth in Attachment 2.
- 4. Because of the continued wage and price stabilization policy (Phase II), we requested the Office of General Counsel to determine the legality of increasing the Executive Dining Room prices. We have been advised that such an increase is allowable, since the price increases are based on food cost increases; and prior notification to the Price Commission and their approval are not required because of the total sales volume of the Executive Dining Room.
- 5. In view of the foregoing, it is recommended that you approve the proposed price increases set forth in Attachment 2, which we would implement as soon as possible thereafter.

MEMORANDUM FOR:

Deputy Director for Support

SUBJECT

Executive Dining Room Proposed Increase

in Meal Prices

REFERENCE

Memo dtd 10 Aug 71 to DD/S fm D/L,

same subject

- 1. This memorandum contains information for the Deputy Director for Support.
- 2. Referenced memorandum recommended selective price increases on meals served by the Executive Dining Room. The recommendation was approved by Mr. Robert S. Wattles on 11 August 1971.
- 3. The President of the United States announced a 90-day "wage and price freeze" on a nationally televised broadcast on Sunday, 15 August 1971. It, therefore, seems in order that we not implement the Executive Dining Room price increases until the expiration of the 90-day period.

MEMORANDUM FOR: Deputy Director for Support

SUBJECT

: Executive Dining Room Proposed Increase in Meal Prices

REFERENCE

: Memo to A-DD/S fm A-D/L dtd 20 July 1971

subject: Executive Dining Room

- 1. This memorandum contains a recommendation for your approval in paragraph 5.
- 2. In the referenced memorandum, I set forth a comparison of Executive Dining Room operations for the year ending this June with that of the previous year. As noted, there has been a substantial increase in the cost of food and other expenses which resulted in a small loss for the year. However, these costs reflect a continuously rising trend and we see no leveling off in the immediate future. Attachment A is a comparison of wholesale price changes from March 1969 to February 1971. This clearly reflects a marked increase in food prices during this time amounting to an average of 11.6 percent. As a matter of information, it was shortly after the beginning of this period in May 1969 that our current dining room prices were established.
- 3. As mentioned, our loss was small but could have been substantially larger were it not for the increased income received from the special and official functions which utilized the dining room throughout the year and, in particular, for the large number of retirement parties. Our increase in income for special and official functions over the previous year amounted to \$3,689 and \$1,033, respectively, or a total increase of \$4,722. This helped to offset a decrease in income from meals of \$2,044 during the same period. In addition, we expended less funds for equipment, \$1,754 versus \$4,353, than in the prior year, which also reduced our loss.
- 4. Therefore, faced with substantial cost increases to date and a continuing upward spiral, we believe it is necessary to increase the prices of meals in the Executive Dining Room at this time. Attachment B reflects the current prices charged and the proposed increases. The proposed increases are on meals only since they represent the largest volume, both in cost and sales. The proposed

Approved Por Release 2003/04/29 : CIA-RDP84 to Y80R@rss Hands 6009 3-3

OL1-3968

### Approved CON RELEASE PO 144/29 : CIA-RDP84-00780R003900060003-3

SUBJECT: Executive Dining Room Proposed Increase in Meal Prices

increases average approximately 11.3 percent on these items. Assuming for purposes of comparison that costs remained the same and applying this percentage to the same volume and mix of meals served during the past year, we could expect increased revenues of approximately \$2,500 for the remainder of this year, based upon a 1 September 1971 price change. We satisfipate that the increased revenue will cover normal cost increases on a continuing basis over the next 2 years and provide a modest amount for capital expenditures, exclusive of any major renovation or refurbishment. As you are aware, there is a current proposal for accomplishing such renovations at an estimated cost of \$8,200; however, the method and means for covering these costs are not within the context of the recommendation contained herein and will be the subject of separate correspondence.

5. In view of the foregoing, it is recommended that you approve the proposed price increases listed in Attachment B, which would be effective soon after the date of your approval.

20 JUL 1977

MEMORANDUM FOR: Acting Deputy Director for Support

SUBJECT Executive Dining Room

- Attached is the Executive Dining Room financial report for the month of June 1971, together with the report of cumulative operations for the past year.
- A comparison of this year's operations to the preceeding one has been made and is shown below:

a.	Income:

a.	Income:	
	29 June 1970 - 25 June 1971 3 July 1969 - 26 June 1970	\$52,895 50,788
	Net Increase in Income	\$ 2,107
b.	Expenses (Excluding Equipment Purchases):	
	29 June 1970 - 25 June 1971 3 July 1969 - 26 June 1970	\$51,325 45,679
	Net Increase in Expenses	\$ 5,646
c.	Net Income from Operations (Excluding Equipment Pu	rchases):
	29 June 1970 - 25 June 1971 3 July 1969 - 26 June 1970	\$ 1,570 5,109
	Net Decrease in Income from Operations	\$ 3,539

#### d. Equipment Purchases:

29 June 1970 - 25 June 1971	\$ 1,754
3 July 1969 - 26 June 1970	4,353
Net Decrease in Equipment Purchases	<b>\$ 2,</b> 599

# CONFIDENTIAL Approved For Release 2003/07/29 CIARDP94-00780R003900060003-3

SUBJECT: Executive Dining Room

e. Net Income after Equipment Purchases:

29 June 1970 - 25 June 1971 3 July 1969 - 26 June 1970 \$184.00 - loss \$756.00

- 3. A number of factors contributed to the loss incurred by the Executive Dining Room during the past year. The major items were:
  - a. Increased cost of food at \$4,437; and
  - b. Miscellaneous expenses (laundry, overtime, allowances, repairs, supplies) at \$1,979.

When the foregoing is coupled with the fact that income from meals served declined a little over \$2,000, it is amazing that our loss was not greater. Our salvation was the large number of special and official functions in comparison to the previous year. This, of course, was due largely to the number of retirement parties.

4. The forecast for the forthcoming year is not optimistic, particularly when we are faced with continuing increases in the cost of food, services, and supplies. We have initiated a study in this area and will shortly come to you with our recommendations to offset this trend.
